

## HUNTINGTON HIGH SCHOOL

“A Tradition of Excellence Since 1657”

November 21, 2022

Dear Advanced Math Students,

If you have successfully completed Algebra I, Geometry, and Algebra II, you may be eligible to become a member of the National Mathematics Honor Society called Mu Alpha Theta. If you feel you satisfy the following criteria, you are encouraged to apply using the attached application and return it to Mrs. Racz ([mracz@hufsd.edu](mailto:mracz@hufsd.edu)) or Mrs. Swierkowski ([jswierkowski@hufsd.edu](mailto:jswierkowski@hufsd.edu)) in Room 130 or by email by December 5, 2022. You will need to have the following criteria:

- Completed Algebra 1, Geometry, and Algebra 2
- Unweighted average in Algebra, Geometry, and Algebra 2 is an 85 or above
- You are currently enrolled in and passing a math class above Algebra 2 (PreCalculus, Calculus, AP Statistics, Introduction to Statistics)

To become a member of the National Mathematics Honor Society is a privilege. The society gives service to the school and community. If you become a member, it is expected that you will contribute by tutoring fellow students, participate in fundraisers, and assist with future induction ceremonies. Please fill out the application as accurately as possible and you will be notified of acceptance.

Sincerely,

Monica Racz & Jordan Swierkowski  
Advisors
