Director's Notes

In this year of hybrid teaching – how apropos that this year's musical is also a hybrid. Rehearsed in person, performed in person (albeit with no audience) and then taped for public consumption. During or rehearsal process we overcame Covid, conflicting schedules, and the challenges of working on tape without a live audience. I only hope our audience enjoys the show as much as we enjoyed putting it together. From cast to crew to pit I couldn't be more proud of what the kids accomplished not to mention the contributions of Ms. Garbarino, Mrs. Biernacki, Mr. DiMeglio, and Mr. Deveau – we couldn't have had a more dedicated team to make this musical happen this year. Last, but certainly not least, we would not have been able to make this production possible without the support of the administration who helped to make this process as close to business as usual for all involved. Now my only hope is that the audience finds us creepy, kooky, and altogether ooky!
