**Finley Middle School Indoor Sports Protocols**

In an effort to provide a safe environment for athletes, coaches, officials, supervisory personnel and fans, J. Taylor Finley Middle School will utilize the following risk minimization strategies during indoor home events.

1. Spectators will be restricted to two guests per Finley athlete. Visiting fans and unaccompanied students will not be permitted entry.
2. Locker rooms will be available to athletes for changing only. Lockers will not be used. Athletes will be admitted in small groups to avoid congregating.
3. Disinfecting materials will be available for athletes and spectators in or near the gym.
4. Masks covering the nose and mouth must be worn at all times. Athletic supervisory personnel will provide additional masks on demand.
5. Fans from different households will be encouraged to sit socially distanced.
6. Gym access will be restricted once the bleachers reach their capacity.
7. Team chairs will be arranged to provide as much distancing as possible.
8. Visiting teams will be escorted into the facility and to their bus following the contest.
9. Hallway restroom facilities will be open and available.
10. Referees/officials will be provided with a private room with restroom facilities.

These strategies will be reviewed throughout the season and will be modified as needed.
