## **Summer Field Hockey**

Huntington High School students currently enrolled in grades 9-12 are invited to participate in an intramural field hockey program. These school sponsored sessions will include general conditioning and training along with an opportunity to learn more about the sport of field hockey.

**The program will run Wednesdays and Thursdays  
6:30-8:00 p.m. at the Blue Devil Stadium turf field  
beginning on Wednesday August 4.**

Attendance at all sessions is not required. Participate when it is convenient. Improve your field hockey stick skills and game with fun interactive drills.

In case of inclement weather that day's intramural session will be cancelled.
