Dear Student-Athletes and Parents:

We are pleased to inform you that Huntington High School is making CoreCourseGPA.com, a web-based software program, available to all Huntington High School student-athletes and their parents/guardians **free of charge**.

If your child has aspirations of competing athletically as a freshman at an NCAA Division I or Division II school, they must meet NCAA Initial-Eligibility minimum standards, including minimum core course GPA and SAT/ACT test score requirements. CoreCourseGPA.com is an innovative tool that allows you to easily track your son or daughter's progress towards meeting these requirements, beginning as soon as the first semester of their freshman year.

**To activate your CoreCourseGPA.com membership, follow these simple steps:**

1. Go to **www.CoreCourseGPA.com**

CoreCourseGPA.com incorporates the NCAA recognized core courses for Huntington High School into the online course entry forms, calculates both Division I and Division II core course GPA, automatically factors weighted grades into calculations and tracks course requirements for BOTH Division I and Division II. Your son or daughter's core course information is saved for the duration of their high school career. It is important to note that your use of CoreCourseGPA.com is not a substitute for registering with the NCAA Eligibility Center after the completion of six high school semesters.

Huntington High School is proud to make this innovative software available to you free of charge. We believe CoreCourseGPA.com will be a very useful academic tool for you and your student-athlete.

Sincerely,

*James M. Hoops*
