Fall Boys Lacrosse

Huntington High School students entering grades 9-12 are invited to participate in an intramural boys lacrosse program. These school sponsored sessions will include general conditioning and training along with an opportunity to learn more about the sport of lacrosse.

The program will run Tuesday and Thursday from 4:00-5:30p.m. at Blue Devil Stadium or Huntington High School Alumni Field beginning on Tuesday, November 5 through November 26.

Attendance at all sessions is not required. Participate when it is convenient. Explore offensive, defensive and special team skills as individual interest dictates.

In case of inclement weather that day's intramural session might be held in the gym or cancelled.
