Boy's Track and Field

Huntington High School and Finley Middle School students currently enrolled in grades 8-12 are invited to participate in an intramural boy's track and field program. These school sponsored sessions will include general conditioning and training along with an opportunity to learn more about running and field events. If you are interested in track and field, this intramural program is for you.

The program will run on Tuesdays, Wednesdays, and Thursdays. Sessions will run from 2:45pm – 3:45pm at Blue Devil Stadium beginning on October 6.

Attendance at all sessions is not required. Participate when it is convenient. Explore a variety of running and field events as individual interest dictates.

In case of inclement weather that day's intramural session is cancelled.
