HUNTINGTON, NEW YORK 11743

SHARED DECISION MAKING COMMITTEE

2021-2022 School Based Team Goals

List each goal on a separate form

SMART Goal:

Expand on student access to support services through social and emotional programs conducted by Mental Health team

Action Plan:

- Student support services will identify needs based on observations and student input
- Develop 20 minute intervention programs that can be delivered to students in all grade levels

Assessment:

- Student exit tickets and surveys
- Feedback from teachers

SHARED DECISION MAKING COMMITTEE

2021-2022 School Based Team Goals

List each goal on a separate form

SMART Goal:

Increase parent engagement opportunities and offer ways for students and families to share cultural backgrounds through a variety of events

Action Plan:

- Parent Survey
- Needs Assessment based on survey results
- Provide targeted parent engagement sessions virtually to meet the identified needs
- Provide parents with "tools" to support and supplement activities missing in today's virtual world (i.e. outdoor activities or other non-screen time related events)

Assessment:

- Feedback from parent engagement events
- Attendance monitored at parent engagement event
