2021-2022 School Based Team Goals

List each goal on a separate form

SMART Goal: Southdown will focus on Social Emotional Learning and the well-being of all students to ensure students feel that they are learning and growing in a safe and healthy learning environment.

Action Plan:

- Use of Sanford Harmony in all classrooms everyday
- Have a mindful minute each day where students stop what they are doing and do some deep breathing.
- Incorporate SEL points and lessons in our school wide Splash Assemblies each month.

Assessment:

-Use of SEL daily check-in for all students, similar to the ruler approach, using emoji's to share feelings throughout the day.

2021-2022 School Based Team Goals

List each goal on a separate form

SMART Goal: Southdown staff and families will collaborate in an authentic partnership to create a path for students to reach their highest potential for each grade in the 2021-2022 school year as measured by a family survey in June 2022.

Action Plan:

- "A day in the life of my kid" through a video prepared by teachers for families
- Hosting parent workshops based on survey responses from families to meet the varying needs of what families would like a better understanding of.
- Communicate with families during monthly PTA meetings and monthly "Town Hall" meetings.

Assessment:

-Will be assessed through parent surveys quarterly.
