SMART Goal: Return to planning a school Wellness Fair for parents, students and community members. The fair will include local practitioners, school specialists, clubs and other entities that can support the overall well-being of all. This fair was planned some time ago and was cancelled due to COVID. With uncertainties last year, the plan was once again deferred to a later time. This year's goal is to finally see this project come to fruition.

Action Plan:

- 1) Review prior plan for the Wellness Fair that was organized for March, 2020
- 2) Reengage with participants to determine level of interest going forward
- 3) Identify new participants and gather contact and other information
- 4) Plan logistics for a large-scale event
- 5) Promote fair to community members and school district families

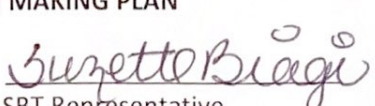

Assessment:

Completion of event; tracking of participant numbers
