SHARED DECISION-MAKING COMMITTEE**

***2025-2026 School Based Team Goals***

**SMART Goal** Washington Primary School will actively engage and empower ALL families as partners in their child's educational journey, fostering meaningful involvement and inclusion throughout the 2025-2026 school year.

**Action Plan:**

1. Washington Primary has four Family Engagement Nights planned throughout the course of the school year.
  - a. This year we have added a quiet/calm room to these events to include all students, including our student population, on the Autism Spectrum who have different sensory needs.
2. Washington Primary will celebrate American Education Week (11/17-11/21) by inviting family members to visit their child's classroom for one instructional period.
3. Washington Primary will continue consistent communication with families using the Parent Square platform.
4. The Principal's Book of the Month that Dr. Richards selects is directly aligned with national cultural celebrations. Each teacher receives a copy of these books to add to their library.

**Assessment:** *(How will we know if the goal was met? What can be measured?)*

1. A survey through Parent Square will be sent to families listed on the sign-in sheets for each Family Engagement Night.
2. RSVPs will be collected for family members planning to visit their child's class during American Education Week. A survey will be sent after the event.
3. Parent Square reports will be run to analyze the engagement of Parent Square posts – Appreciations, views, etc.
