## Facility Estimated Expenses Form Five Year Plan 2022-2027

District or Board Name: Huntington UFSD  
 Facility Name: Finley Middle School  
 SED Number: 58-04-03-03-0-014

			Capital		IN-HOUSE PROJECTS	IN-HOUSE COMPLETED	PROJECTS AT STATE	STATE APPROVED	CAPITAL COMPLETED	ACTUAL COST	TOTAL NEEDED
<b>2022-23</b>	Priority			Cost							
	1	Exterior doors - at courtyard northeast - the doors do not have panic devices - install panics 2 pairs. Replace overhead roll-up door at (1) wood shop - install a new pair of exit doors with panic devices and exit signs. At tech shop - egress to exterior is through a storage room. Make new mechanical opening through adjacent exterior wall to provide new single exit door. Provide panic device and exit sign.	X	\$65,000							
	1	Interior fire wall - at wood shop and tech shop - there is a hole in the wall - repair and fire rate the opening. replace plexi-glass at interior windows with fire rated glass at 1st floor rm 107 & main office, at 2nd floor room 202 there is a nonrated hopper window to the atrium area. Replace with a hollow metal and fire rated glass fixed window. Interior bearing walls - at gym - repair vertical crack at various locations on at the upper walls.	X	\$75,000							
	1	Ceilings - at kitchen - the existing ceiling tile is perforated and old - to comply with code - replace old 2x4 hung ceilings - install new "clean room" scrubbable ceiling tiles (+/- 2400 s.f.)		\$50,000	X						
	1	Interior rated walls - at the 2nd floor east stairwell - the stairwell is open and there is no ADA area of rescue refuge. Install a new fire rated cross corridor door and pair of doors with panics and magnetic door holders to enclose the stairwell.	X	\$45,000							
	1	Interior doors - at 2nd floor - provide latching door hardware on existing smoke/stair doors by atrium (4 pairs); at 1st floor - at stairwell door east side (1 pair); at 1st floor - at (2) pairs of cross corridor doors by south courtyard.		\$25,000	X						
	1	Interior doors - kitchen doors - replace old doors - install fire rated doors with magnetic door holders. Some doors have orbital knobs - 6 single doors. Kitchen tray pass - the (3) overhead pass doors need to be tied into local fire alarm.		\$85,000	X						
	1	Interior stairs/ramps - at ramps adjacent to the south courtyard - install handrails - both sides.		\$15,000	X						
	1	Parking lot - phase 2 - pavement, sidewalks and curbs.	X	\$375,000							
	1	Add (4) exit signs.		\$15,000	X						
	1	Add pull stations at all courtyard exits.	X	\$25,000

 Facility Name: Finley Middle School  
 SED Number: 58-04-03-03-0-014

			Capital		IN-HOUSE PROJECTS	IN-HOUSE COMPLETED	PROJECTS AT STATE	STATE APPROVED	CAPITAL COMPLETED	ACTUAL COST	TOTAL NEEDED
	1	ADA - at existing renovated ADA toilet rooms at the 1st floor atrium/auditorium area - these toilet rooms were renovated for student use but are currently utilized by faculty. Since there are no student use toilets in this area of the building - recommend the district repurpose these for student use. Correct ADA door approach at the girls toilet room door - min 18" clear on pull side. At single use ADA toilets by the gym - add grab bars.		\$25,000	X						
Priority Total				\$800,000							
<b>2023-24</b>	Priority			Cost							
	2	Walks - replace asphalt walks at east side of building at wood shop to front loop. Install new asphalt walks from gym basketball play area to connect to east tech shop and wood shop asphalt and to girls locker room exit door. At south courtyard - provide new ADA concrete walks to connect entries.	X	\$90,000							
	2	Recrown football/soccer field.	X	\$600,000							
	2	Exterior ramp/steps - at lower level - repair cracking concrete at ramp - underside. At tennis courts - provide new ADA ramp and handrails for court steps.		\$80,000	X						
	2	Roof - boiler room - tectum deck - repair area of damaged tectum deck - west side.		\$25,000	X						
	2	Interior bearing wall - at boiler room - repair cracks in concrete block walls - east wall.	X	\$20,000							
Priority Total				\$815,000							
<b>2024-25</b>	Priority			Cost							
	3	Windows - replace remaining old cloudy lexan glazing in all window units with new insulated safety laminate glass (+/- 2400 s.f.).	X	\$150,000							
	3	Roof - gutter - repair hole in gutter by tech shop.		\$10,000	X						
	3	Ceilings - replace old deteriorated 2x4 hung ceilings - in all classrooms and 2nd floor corridors (+/- 33,000 s.f.).	X	\$665,000							
	3	Replace shop air handling unit/provide univents for band room/ replace gym heating and ventilation units.	X	\$800,000							
	3	Rehabilitate existing air handling units.	X	\$400,000							
	3	Continue to replace plumbing fixtures as necessary.		\$50,000	X						
	3	Monitor/maintain LED fixtures. Replace auditorium house lighting.		\$250,000	X						
Priority Total				\$2,325,000							
<b>2025-26</b>	Priority			Cost

				Capital		IN-HOUSE		PROJECTS		STATE	
						PROJECTS		COMPLETED		AT STATE	
						APPROVED		COMPLETED		ACTUAL	
						COST		COST		TOTAL	
						NEEDED					
<b>2022-23</b>		Priority	Item Description		Cost						
	1		Walls - boiler room - provide 2 hour fire rated partition at boiler room between custodial office & boiler room. Provide fire door at top of stair and exit signage.		\$45,000	X					
	1		Stage - provide new door to exterior and steps to grade for 2nd means of egress from stage. Close existing non-code compliant door from stage which currently egresses thru 2 adjacent spaces without proper fire rated walls and egressing.	X	\$100,000						
	1		Interior doors - at nurse's office - display case is open to nurse. Install new fire rated hollow metal frame & glass.	X	\$10,000						
	1		Interior doors - the building has extensive one story areas with no smoke separations. Provide (2) sets of cross corridor smoke doors including walls rated walls & magnetic hold opens.	X	\$80,000						
			Interior doors - kitchen tray pass - overhead pass door needs to be tied into local fire alarm.	X	\$15,000						
	1		Provide natural gas/CO detection system at boiler room.	X	\$30,000						
			Priority Total		\$280,000						
<b>2023-24</b>		Priority	Item Description		Cost						
	2		ADA - provide ADA accessible asphalt walks to existing play equipment - connect to east and west classroom wings.	X	\$30,000						
	2		Playground - replace old play equipment at east side including swings/seesaw. Replace sand surface at all existing play equipment. Provide new ADA play equipment and new rubber safety surfaces.	X	\$780,000						
	2		Interior bearing walls - perform crack repair in concrete block at gym, gym storage, and stage walls.	X	\$65,000						
	2		Interior doors - crawl space access door - there is currently only (1) access to the crawl space from the lower storage room adjacent to boiler room and at the south wing in the classroom. Recommend providing (1) additional fire rated floor hatch - at the north wing at corridor.	X	\$38,000						
	2		Interior stairs - at stage stair - guardrail - openings there are no balusters to prevent a greater than 4" sphere to pass through. Install new mesh at guardrail.		\$10,000	X					
	2		Replace boilers, condensate unit, and boiler feed equipment.	X	\$800,000						
			Priority Total		\$1,723,000						
<b>2024-25</b>		Priority	Item Description		Cost						
	3		Replace main electrical service & switchgear.	X	\$350,000						
	3		Walks - ADA - install new ADA pad at gym exterior door.		\$15,000	X					
	3		Interior doors - doors to corridors and kitchen serving areas should not be held open without the use of magnetic door holders. Recommend installing magnetic door holders at the following locations: (1) serving line door and (1) main office.		\$5,000	X					

## Facility Estimated Expenses Form Five Year Plan 2022-2027

**Facility Estimated Expenses Form  
Five Year Plan 2022-2027**

District or Board Name: Huntington UFSD

Facility Name: Huntington High School

SED Number: 58-04-03-03-0-001

			Capital			IN-HOUSE PROJECTS	IN-HOUSE COMPLETED	PROJECTS AT STATE	STATE APPROVED	CAPITAL COMPLETED	ACTUAL COST	TOTAL NEEDED
2022-23	Priority	Item Description		Cost								
	1	Exterior walls - upper stage wall at roof - this wall is tall has some full height vertical cracks. This wall construction is potentially similar to the rear curved cafeteria wall which was found to lack proper masonry ties. It is recommended that further structural investigation of the existing wall conditions be performed to determine adequate masonry wall ties exist. The price shown is for repair of the vertical crack at the southeast corner and destructive investigation work. The full extent & cost of any repairs - if necessary is TBD.	X	\$50,000								
	1	Exterior doors - reverse doors swings at 3 doors at the north (small) courtyard in order to swing in the direction of travel into the corridor.	X	\$12,500								
	1	Windows - at library - install rescue window stickers - 2 locations. Reopen the door to the corridor that was closed off at the north section of the library for proper egress into the 2nd smoke zone.		\$1,200		X						
	1	Roof - replace remaining roof areas that are out of warranty at the classroom wings (+/- 40,000 s.f.). Price shown is for TPO - full depth replacement.	X	\$1,900,000								
	1	Interior rated walls - at the cafeteria - the entire area is open to the corridor. In addition, the required exits from the main courtyard egresses into the cafeteria. Although the area is kept clear for egress - the area is open to the space. It is recommended that all doors throughout the cafeteria be fire rated and have closers installed. In addition all the doors that open from the kitchen/serving shall be 2 hour fire rated and have magnetic door holders installed (8 singles and 1 pair at kitchen). In addition - the non-fire rated partitions at the 2 storage rooms that were created on the old stage shall be replaced with 1 hour fire rated walls and doors. These walls are not currently run to the roof deck and fire sealed. At the kitchen stair to the basement - there is no door at the top of the stair - install a 1 hour fire rated door. At the north cafeteria area - install rescue window sticker on window to provide 2nd means of egress.	X	\$160,000								
	1	Interior bearing walls - walls at the stage - there are several locations where there are vertical cracks and shifted cmu block at the stage walls. Perform crack and masonry repairs.	X	\$75,000								
	1	Interior rated walls - at 3 locations - 2 at the 2nd floor and 1 at the 1st floor - where offices/rooms have been created at the classroom wings - the walls are not fire rated - replace all walls and doors with 1 hour rated construction - run walls to the deck and fire seal. At the northeast stairwell the wall between the stair and the storage room is not fire sealed to the deck. The ductwork runs from the storage room into the stair soffit. Fire seal the wall to the deck and install fire dampers at the ductwork penetrations.	X	\$100,000								

## Facility Estimated Expenses Form Five Year Plan 2022-2027

District or Board Name: Huntington UFSD

Facility Name: Huntington High School

SED Number: 58-04-03-03-0-001

				IN-HOUSE PROJECTS	IN-HOUSE COMPLETED	PROJECTS AT STATE	STATE APPROVED	CAPITAL COMPLETED	ACTUAL COST	TOTAL NEEDED
			Capital							
1	ADA - there is currently no boy's locker room on the 1st floor - ADA accessible level. The boy's locker room is in the basement (lower level) at the west side of the building. There is no access to this area from the elevator servicing the basement (lower level) at the east side of the building, therefore there is no ADA accessibility to this area. The 1st floor east locker room area was recently converted to be used for girls. Currently there is a girls locker room at the west side of the gym that is ADA. Recommend converting the use of the east side locker room from girls use to boys use to provide for ADA accessibility. If the district decides to continue to use the lower level as boy locker room area - an elevator would be required to service this area along with additional work to door openings, ramps and ADA accessible lockers/benches and toilet rooms.		\$5,000	X						
1	Interior walls - nurse toilet ADA - the existing nurses office toilet is not sized appropriately to accommodate the physically challenged. As the building should be made ADA compliant to the maximum extent technically feasible, the room should be completely renovated & resized to accommodate ADA accessibility. Price shown is for a complete renovation - new ceramic tile, repainting, fixtures & accessories. The office door approach is not ADA accessible - adjust door for 18" clearance on latch - pull side of door - reverse the swing.		\$125,000	X						
1	Egress - corridor/courtyard at main courtyard - at the northwest exit doors - the required egress sets of doors leading to the north corridor (opposite the small courtyard) have been blocked by the construction of a copy room. Given the egress door capacity and travel distance requirements from the large courtyard - these doors must be reactivated. It is recommended that the district eliminate use of this room as a copy room. Remove the partition wall/doors and frames to open the space to allow proper egress into the corridor.		\$15,000	X						
1	Interior doors/stairs - at basement stairs - (3) locations - provide rated wall and doors with closers, magnetic hold opens and panic hardware to enclose stairways at - stairs at south by classroom 14 (needs rated walls), stairs by boys locker room, and stairs by north courtyard.	X	\$50,000							

## Facility Estimated Expenses Form Five Year Plan 2022-2027

District or Board Name: Huntington UFSD

Facility Name: Huntington High School

SED Number: 58-04-03-03-0-001

				IN-HOUSE PROJECTS	IN-HOUSE COMPLETED	PROJECTS AT STATE	STATE APPROVED	CAPITAL COMPLETED	ACTUAL COST	TOTAL NEEDED
			Capital							
	1	Stairs - there are 4 sets of stairs from the 1st to 2nd floor that are not enclosed. In addition, there is no ADA areas of refuge. Additionally the building has extensive areas with no smoke separations at the 1st and 2nd floors. Although the unenclosed stairs are a pre-existing non-conforming item - stairs should be enclosed whenever possible. In order to address the above conditions, the following is recommended: at existing enclosed stair at the northeast corner - provide new area of rescue call station. At the doors - install latching hardware and magnetic door holders. At the 1st and 2nd floor at the middle wing staircases install fire rated partition walls and smoke doors (2 sets at each stair top & bottom - note the south stair has 1 existing set at the 1st floor). At the front (west) 2 main staircases - install fire rated partition walls and smoke doors (2 sets at each stair at the 2nd floor and 1 set at the 1st floor). All doors shall have magnetic hold opens & panic hardware to enclose stairways. In addition - install (1) additional area of refuge rescue station at 1 of the main staircases at the 2nd floor at the main staircases - the doors leading to the basement stair should be reversed to swing out.	X	\$615,000						
	1	Ramps/Stairs - ADA - at basement (lower level) & 1st floor - provide handrails at the corridor ramp by the boiler room and at the auditorium corridor stair and cafeteria stair. At the 1st & 2nd floor corridor steps (north classroom wing) - install a new ramp (1/2) the width of the corridor to provide for ADA access.		\$95,000	X					
	1	Replace (6) exit lights/add (6) exit lights		\$36,000	X					
	1	Add magnetic holders for (12) doors/add courtyard pull station/horn-strobes x (2).		\$70,000	X					
		Priority Total		\$3,309,700						
<b>2023-24</b>	<b>Priority</b>	<b>Item Description</b>		<b>Cost</b>						
	2	Monitor/maintain grease trap & related piping.		\$1,200	X					
	2	Walks - ADA - replace deteriorated asphalt walk from girls locker room (west side - by loading dock), and provide new ADA ramp (+/-500 s.f.). Replace deteriorated asphalt walks at the north, and east side of the building (east side of gym, classroom wing & science classrooms) (+/-6800 s.f.); add asphalt walk to steps to tennis courts at rear of building (+/-705 s.f.); replace deteriorating concrete walks and concrete/brick retaining wall outside wrestling room.	X	\$210,000						
	2	Exterior ramp - ADA - provide ADA ramp to access tennis courts at the rear of the building. Connect to existing walks with new ADA walks.	X	\$275,000						
	2	Interior doors - replace wood frame & glass partition walls at the following locations: basement - at the b&g office to corridor, at boy's coach office; first floor - nurse's sliding window; deans office 121, health office 122, science 151A, rooms 154 & 153, at guidance suite, registrar, library & main office. At 2nd floor - rooms 254, 255, 256, 257, 258, 259 and 260 and display at room 217A (by northwest stairwell). Install new fire rated hollow metal frame, fire rated glass wall assemblies & doors.	X	\$410,000						

## Facility Estimated Expenses Form Five Year Plan 2022-2027

Facility Name: Huntington High School

SED Number: 58-04-03-03-0-001

			Capital	IN-HOUSE PROJECTS	IN-HOUSE COMPLETED	PROJECTS AT STATE	STATE APPROVED	CAPITAL COMPLETED	ACTUAL COST	TOTAL NEEDED
2	Interior doors - basement doors - the corridor by the freight elevator is blocked by stored equipment - this is a required egress and should be kept clear. In addition the pair of doors to the cross corridor should have panic devices installed and latching. At 1st floor - cross corridor doors at northeast & at southeast by music wing - install magnetic hold open and panic hardware. At 1st floor south staircase - install panic hardware at doors. At the smoke doors at the southeast by music and the north set by the cafeteria - the walls do not appear to go to the deck and are not fire rated - install new fire rated walls above doors to deck and properly fire seal. At 1st floor - east side girls team locker room - install panic device. At basement (lower level) boys locker room to corridor - install panic device.		\$45,000	X						
2	Provide glycol system to protect science room air handling unit coil.	X	\$100,000							
2	Upgrade building management system	X	\$400,000							
Priority Total			\$1,441,200							
<b>2024-25 Priority Item Description</b>										
			Cost							
3	Walks - ADA - there is currently no walks at the large courtyard outside the cafeteria and no ADA access. Recommend installing new concrete plaza and walks to connect from the cafeteria doors to the (2) single doors at the corridor adjacent to the auditorium lobby (+/-4600 s.f.).	X	\$175,000							
3	Exterior walls - repair masonry wall cracks at the following locations: (2) at east side by entry door; (2) at southeast side - exterior step adjacent to science room 144.	X	\$30,000							
3	Exterior steps - replace deteriorated wood steps and railings leading to the tennis courts at the rear of the building.		\$150,000	X						
3	Windows - Replace remaining old cloudy lexan glazing in all window units with new insulated safety laminate glass (+/-2400 s.f.).	X	\$150,000							
3	Roof - replace aluminum mansard roof structure above gym entries north elevation. At canopy by auditorium - repair spalling concrete at soffit/underside. At roof/floor hatch to fan room at gym - provide handrail for safety.		\$130,000	X						
3	Floors - replace vinyl asbestos tile flooring at remaining classrooms and 2nd floor corridors (+/- 2350 s.f.).		\$75,000	X						
3	Interior doors - chorus - replace pair & single door at chorus room (reverse swing), room 100, at music offices 101A & 100 - replace (2) pair doors; install auto door operators for ADA access at the following doors - 2nd Floor - boy's & girls ADA toilet by science rooms & 1st floor band room.	X	\$45,000							
3	Replace unit ventilators, replace (7) air handling units.	X	\$9,000,000							
3	Replace (1) small condensing unit/cooling coil/refrigeration piping.	X	\$50,000							
3	Continue to replace plumbing fixtures as required.		\$100,000	X						
3	Replace lighting in lacrosse locker room/replace (6) exit way lights.		\$40,000	X						
Priority Total			\$9,945,000

			Capital		IN-HOUSE PROJECTS	IN-HOUSE COMPLETED	PROJECTS AT STATE	STATE APPROVED	CAPITAL COMPLETED	ACTUAL COST	TOTAL NEEDED
<b>2022-23</b>	<b>Priority</b>	<b>Item Description</b>		<b>Cost</b>							
	1	Interior walls - egress - the 1st floor music room - it currently has no 2nd means of egress and no windows to the exterior and is over 500 s.f. In music room - daylight is required and vision lights are recommended. Further any student occupied space over 500 s.f. is required to have 2 means of egress each opening into a separate smoke zone. District should relocate the music room class to another room that meets the above criteria for student occupancy.		\$10,000	X						
	1	Interior doors - kitchen tray pass - overhead pass door needs to be tied into local fire alarm.	X	\$15,000							
	1	Install (5) exit signs.		\$10,000	X						
	1	Provide horn/strobe & pull station at elevator vestibule.	X	\$5,000							
	1	Interior walls - nurse toilet ADA - the existing office toilet is not sized appropriately to accommodate the physically challenged. As the building should be made ADA compliant to the maximum extent technically feasible, the room should be completely renovated & resized to accommodate ADA accessibility. Provide auto door operator on door to nurse office. Price shown is for a complete renovation - new ceramic tile, repainting, fixtures & accessories.		\$125,000	X						
	1	Interior walls - girls & boy's toilet - ADA - there are no girls & boys ADA toilets throughout the building - recommend repurposing 2 of the 4 unisex men's and ladies' ADA toilets on the 1st floor, either the one adjacent to the gym or the adjacent the music rooms for student use.		\$1,200	X						
		Priority Total		\$166,200			\$0			\$0	
<b>2023-24</b>	<b>Priority</b>	<b>Item Description</b>		<b>Cost</b>							
	2	Walks - replace deteriorated walks at various locations: southeast by basketball court - slope to gym pad to provide ADA to gym exit; southwest leading to play area - slope to doors for ADA; west drop off loop north end including curb, broken slab at east loop, and walks in the courtyard. At courtyard - top of amphitheater steps - the pad is a trip hazard at top - replace asphalt with new concrete.	X	\$230,000							
	2	ADA - provide ADA accessible asphalt walks to north & south existing play equipment.		\$15,000	X						
	2	Playground - install new safety surfacing at playground equipment where sand surfacing exists. Provide new ADA play equipment and new rubber safety surfaces (8800 s.f.).	X	\$300,000

			Capital		IN-HOUSE PROJECTS	IN-HOUSE COMPLETED	PROJECTS AT STATE	STATE APPROVED	CAPITAL COMPLETED	ACTUAL COST	TOTAL NEEDED
<b>2022-23</b>		<b>Priority</b>		<b>Cost</b>							
	1	Roof - install gutter along entire west roof edge to alleviate drainage/ponding issues	X	\$45,000							
	1	Interior walls - boiler room - wall to the chorus room has an opening - exposed metal studs - infill the opening with 2 hour rated sheetrock.		\$5,000	X						
	1	Interior doors - smoke separation - provide panic device latching hardware on (2) pair cross corridor doors. At library - the space is larger than 1000 s.f. The doors swing in - must swing in the direction of travel. Replace (1) single and (1) pair of doors. Price includes mags on the pair.	X	\$30,000							
	1	Interior doors - kitchen tray pass - overhead pass door needs to be tied into local fire alarm.	X	\$15,000							
		Priority Total		\$95,000							
<b>2023-24</b>		<b>Priority</b>		<b>Cost</b>							
	2	ADA - provide ADA accessible asphalt walks to existing play equipment (north) and to north field. Replace old deteriorated asphalt walks at west and south. Replace deteriorated concrete walk at both courtyards - slope for ADA access.	X	\$140,000							
	2	Playgrounds - replace sand and dirt at existing play equipment (north play equipment & swings) with new rubber safety surfaces.(4700 s.f.).	X	\$165,000							
		Priority Total		\$305,000							
<b>2024-25</b>		<b>Priority</b>		<b>Cost</b>							
	3	Roof - at roof hatch - the ladder is loose and does not extend enough to access the hatch - replace ladder.		\$7,500	X						
	3	ADA - toilet - boys & girls - there is currently no ADA boys & girls use toilet. Recommend renovating the boys & girls toilet room at the west wing to provide ADA compliance. Price shown to provide auto door operator at corridor doors, new finishes, and new fixtures. Recommend converting men's/women's toilets within the space to become storage.	X	\$685,000							
	3	Interior doors - doors to corridors and kitchen serving areas should not be held open without the use of magnetic door holders. Kitchen serving doors are also old. Recommend replacing the doors (2) at the caf to serving line and installing magnetic door holders (2) pairs and (2) singles.		\$40,000	X
