*"A Tradition of Excellence since 1657"*

James W. Polansky

Superintendent of Schools

December 22, 2017

Dear Members of the Huntington School District Family,

The high level of energy and commitment that each of us brings to the Huntington school community is something I appreciate most at this time of the year. And while we are always eager to see the bright, young faces of our students in and beyond the classroom, I know that there is a great deal of excitement related to spending the upcoming holiday with family and friends.

Before the last bell rings on Friday, let me, again, take a moment to express my gratitude for all that each of you does for your children, students and colleagues. Huntington is a great place to educate our children and foster their success specifically because of the contributions, dedication and passion demonstrated by all who live and work within our school community.

If past week's winter concerts and songfests have not helped to usher in a great holiday week, I don't know what will! Kudos to all involved. Enjoy the holiday break and I wish all in Huntington a happy, healthy and prosperous year to come!

Sincerely,

*James W. Polansky*
