

## Huntington Union Free School District

*"A Tradition of Excellence since 1657"*

James W. Polansky

Superintendent of Schools

March 12, 2018

Dear Students/Staff/Parents:

As you know, the district has already experienced three weather-related closures during the current winter season. Two of the three days are already marked on the 2017-2018 calendar as instructional days (*Thursday, March 29* and *Friday, May 25*). On those days, all Huntington schools will remain open for regular school.

At this point, no additional days will be reclaimed as a result of last Wednesday's closure nor if there is fourth closure. In such a situation, the district would still meet its minimum-day requirement as per State regulation.

Please note, however, that should there be a fifth closure, **Friday, April 6** will be converted to an instructional day.

Thank you for your understanding and let's hope for the warmer weather to appear and remain!

Sincerely,

James W. Polansky  
Superintendent of Schools
