SPANISH – BEGINNER

Olivia Roberts

Room 126

7:00-9:00

Some of us are fortunate to be able to learn a new language by living in another country, but most of us are not. In this class you will be able to begin learning the language and get acquainted with a foreign culture. At the beginning we will give emphasis to pronunciation and with the help of cognates and learned vocabulary, be able to communicate with each other.

DRAWING AND SKETCHING

Dan Van Benthuisen

Room 108

6:30-8:30

A course that examines the basic principles of drawing and sketching, using pencil and charcoal. Students will be encouraged to start keeping a sketchbook and to explore a wide variety of drawing exercises designed to improve observational and rendering skills. We will examine various forms of perspective: one-point perspective as well as two- and three-point perspectives, and aerial perspective (which for artists does *NOT involve looking down from above.*) **We will examine the importance of controlling tonality in drawing. Landscapes, interiors, still life, and a basic examination of drawing the human figure will all be explored. Some exercises from Betty Edwards book *Drawing on the Right Side of the Brain* will be used as well as some examples from other artists’ teaching books like Joseph Sheppard’s *Drawing the Living Figure*.**

SOCCER CO-ED (Indoor)

BELLY DANCE

Jefferson Gym

Lori Smith
7:30-8:30

This fun fitness program is a full body workout and is beneficial to all age groups and body types. The program is an introduction to basic principles of belly dancing. You will learn various groups of movements that will help improve concentration, posture, muscle control, flexibility and balance all while strengthening your core. Let's get started by slimming your hips, defining your waist, increasing upper body strength and burning calories while dancing to exotic music and high-energy drum solos. Wondering what to wear to a belly dance class? Yoga pants, tank tops or T-shirts will work just fine as we tighten, tone, shimmy and shake together.

MICROSOFT OFFICE ADVANCED

HS Library

Richard Gress
7:30-9:30

No Senior Citizen Discount.

Would you like to learn more about the popular Microsoft Office applications Word, Excel and Powerpoint? Then this is the class for you. Basic knowledge is assumed so students can immediately dig into advanced Word concepts like Mail Merge, Tables for Newsletters, and Advanced Formatting. Excel students will work with practical examples like budgets, financial data, lists, and checkbook registers. Advanced Excel concepts will include filtering, sorting and printing spread-sheet data. Powerpoint users will learn to create, edit and animate information for effective presentations. Bring your own laptop with the required software installed.

TAI CHI CHI KUNG

Library

Richard Wos

7:00-8:30

No Senior Citizen Discount.

Tai Chi is an ancient Chinese self-healing exercise. The therapeutic value of Tai Chi has been acknowledged in China for thousands of years and Tai Chi is the most popular health exercise in China today. The movements enable the body to relax and let gravity melt away tension blocks. It is one of the safest exercise methods known. The way we live determines the amount of tension and nervousness we accumulate in our bodies. Most of us live in an unhealthy environment in which there is too little exercise, poor eating habits, and conditions that create emotional tension. The primary purpose of Tai Chi is to help let go of physical and emotional tension.
