Dear Huntington School District Families,

The Huntington Special Education PTA (SEPTA) would like to extend a warm welcome to all of our new and returning families this year! We are very excited for another wonderful school year! For those of you who don't know what SEPTA is all about, here is some information about us and what we do for the Huntington Community.

Over the past 15 years, with the support of our school community, SEPTA has:

- Awarded **\$50,000** in faculty grants to enhance our students' learning experience. Some of the grants included:

**Smartboards * Privacy Panels * Wii Systems * Standing Desks * Stationary Bikes * Wobble Seats
Cooking Supplies for Life Skills Classes * Field Trips * Classroom Aquarium * ...and much more.**

- Awarded more than **\$45,000** in student scholarships
- Provided the community with informative presentations, a supportive meeting environment, and more
- Contributed to HUFSD Extended School Year Program for enrichment programs and activities

It is through the support, involvement and generosity of our members and contributors that we have been able to bring meaningful programs, services, and educational enhancements to all the students of the Huntington School District. In short, SEPTA is stronger with YOU.

This year we are asking for your continued support, and we invite members from our extended community to **Stand with SEPTA**. You do not need to have a child in the special education program to join! There are many ways in which we can all contribute:

- Become a member (considering getting family and friends to join, too — **anyone** can be a member!)
- Make a donation — no amount is too small to make an impact
- Volunteer your time at one of our various events and fundraisers
- Attend, promote, and/or sponsor our biggest fundraiser of the year: **Sunset and Sounds** on May 18th
