David Cordes is a rare and very special member of the Class of 1993. He is highly respected by his teachers and administrators and loved deeply by his friends. His contributions to our high school community through Key Club, the Tennis Team, the National Honor Society and the Varsity Club have enriched us all. His German teacher, Mr. John Svenson, states that David is THE most talented German student he has taught in his 30 year career.

All of us miss David deeply, feel his absence most keenly and wish him a full recovery. His fellow students have tried to keep in as close contact as time and distance will allow.

The Class of 1993 is proud to have David as one of its members. At this time, we confer an Honorary Degree to David Frederick Cordes.
