Dear Parent/Guardian of Student(s) in Grades 2, 3, 4 and 5:

On the reverse side of this letter is an application for student enrollment in the **Jack Abrams STEM Magnet School** for the 2016-17 school year. Please note the following:

- The school will continue to include students in grades 3 through 6.
- Students currently enrolled in the school will maintain their seats in next year's grade 4-6 classes.
- Students on the 2015-2016 wait list will be given priority for open seats in grade 4-6 classes, **but must reapply for 2016-2017 by the deadline below to retain that priority.** If seats remain, students will be selected from this year's applicant pool via lottery.
- Grade 3 students will be selected via lottery, with as close to an equal amount as possible from all four primary attendance zones.

Please note that we will hold an informational meeting on **Thursday, October 22, 2015 at 7:00 PM**, beginning in the school's auditorium. The event will include several presentations and a tour of the facility, as well as time for questions.
