The Huntington Union Free School District page is designed to provide information and updates to members of the district community. We will update this page as often as possible to share as much as we can about the district and the achievements of its students and staff, as well as other relevant district community information.

All posting of comments on this page are at the discretion of the page administrator. The intent of this policy is to protect the privacy and rights of Huntington School District students and staff. Naming specific employees or students in a negative way will not be permitted. The page administrator will review all postings to ensure that they do not run afoul of the rules nor of the district's Acceptable Use Guidelines regarding Internet access and practices.

We welcome your thoughts and comments and look forward to what you have to say. However, we will not publicize postings that:

- Break the law or encourage others to do so. This includes respecting copyright and fair use laws. If you are talking about somebody else's work, reference this or the person, and where possible include a link.
- Contain abusive or inappropriate language or statements.
- Easily identify students and/or staff in defamatory, abusive or generally negative terms.
- Do not show proper consideration for others' privacy or are considered likely to offend or provoke others – i.e. don't pick fights or goad others into inflammatory debates. Nobody likes a bully.
- Are spam – i.e. repeatedly posting the same comment or comments that are simply advertising/promoting a service or product. If you wouldn't want to receive it yourself, don't post it.

The page administrator reserves the right to not post or remove any comments at any time, for any reason.

Please note that you can receive e-mail and phone text messages alerting you of our newly posted updates through the settings of your personal Facebook account.

Thank you for your interest in the Huntington Union Free School District.
