Dear Members of the Huntington School District Community,

We approach the end of 2015 with gratitude for the blessings of being part of a remarkable community. Your commitment to our schools is deeply appreciated.

As I am sure you are aware, Huntington students and staff have been busy in the classroom, on the stage, in the athletic arena and with countless other pursuits during recent weeks, but have remained persistently mindful of those less fortunate. Many of our student organizations and classes have generously provided different types of support and a great deal of time to help brighten the holidays for many. The unseasonable weather recently may not be characteristic of the season, but the warmth may very well be related to the dedicated and compassionate efforts across our schools.

Turning the calendar to 2016, we look ahead to the opportunities and challenges of the new year. As you gather with your families and loved ones during the upcoming break, may you experience all the joy, happiness and peace that the holidays will offer.

On behalf of the Board of Education and administration, thank you for making the Huntington School District an exceptional place to teach and learn.

Sincerely,

*James W. Polansky*
