*"A Tradition of Excellence Since 1657"*

James W. Polansky

Superintendent of Schools

March 5, 2013

Dear Students/Staff/Parents:

Please take note of the following calendar-related information ...

### **CURRENT YEAR CALENDAR (2012-2013)**

In November, the Board of Education was forced to adjust the current year calendar due to instructional days lost to Hurricane Sandy. In response to the recent weather event on February 11, there will be no student attendance days added. Instead, a Superintendent's Conference Day has been called for staff only on Tuesday during the March vacation week.

Be reminded, however, that as indicated in my November correspondence, student attendance is expected on **Monday, March 25** and **Friday, May 24, 2013**. Also note that *April 1, 2013* remains a student attendance day, as approved on the initial 2012-2013 calendar.

### **NEXT YEAR'S CALENDAR (2013-2014)**

In response to a state-level change in June 2014 high school testing dates, the Board adopted the attached calendar (revised) for 2013-2014 at last night's meeting. Please reference this copy as you plan your personal and family calendars for the next school year.

As in the past, the detailed 2013-2014 district calendar and parent handbook will be finalized in the coming months and mailed to district households during the summer.

Yours truly,

James W. Polansky  
Superintendent of Schools
